FOR FOUNDERS · COMPANY BOOKS

Know Your Numbers. Extend Your Runway.

Bookkeeping, tax strategy, and financial reporting built for startups — trusted by investors.

WHAT GOOD LOOKS LIKE

- ✓ **Monthly close in 5 business days**
- ✓ **Burn rate & runway, every month**
- ✓ **Board-ready reporting**
- ✓ **Audit & diligence ready**

THE PROBLEM

Where founders get caught out

RunwayReady
Powered by Bayside Tax & Wealth

Flying Blind

Most founders don't know their true burn rate or runway until it's dangerously late.

Tax Scrambles

Year-end tax filing becomes a crisis instead of a planned, strategic event.

Weak Investor Reporting

Rough estimates and inconsistent numbers erode investor confidence and delay raises.

THE SOLUTION

Full-service financial operations

RunwayReady

1

STEP 01

Fast Onboarding

Connect your accounts, share access, and we take it from there. No lengthy setup or handoffs.

2

STEP 02

We Handle the Books

Monthly bookkeeping, reconciliation, and categorization — accurate and on time, every month.

3

STEP 03

You Get a Clear Picture

Receive your P&L, burn rate, and runway report each month.

4

STEP 04

Tax Season is Already Done

Because we've been tracking everything, filing is a formality — not a scramble.
